Notes

Keynote Speakers

Kyle Pierce

Kyle Pierce graduated from Lamesa High School in 2003. While a student there, he and his peers recognized the problems facing their school and community regarding drugs, alcohol, and violence. Kyle and his peers decided to make those issues the focus of their efforts for the 2000-2001 year. This idea is now known as Youth SUMMIT, Inc.

Kyle will be returning for the 20th Anniversary SUMMIT as our morning keynote speaker. Kyle's high energy, musical talents, and overall awesomeness will be on display as he shares about his SUMMIT experiences and how he has used the skills and knowledge from his high school days in his career, with his family, and while serving his community. He's excited to return and see how his part in creating SUMMIT has grown into what it is today.

Ricky Mitchell

Ricky Mitchell's life changed forever on March 31, 1991. After celebrating Easter with family, Ricky's brother, Rusty, and his family were hit by a repeat offending drunk driver on their way home outside of Sterling City, Texas. Rusty was killed on impact in this accident. Ricky became an advocate that day for drunk driving victims. As a band director, school administrator, and church choir director, he has shared Rusty and Aaron's story with hundreds of people, including those who attended the very first Youth SUMMIT in 2001. Ricky will share more details of that devastating time along with the events that followed that he and his family view as miracles. Ricky can't believe SUMMIT is turning 20 and can't wait to return for the anniversary.

Vanessa Silvas

Vanessa Silvas didn't have an easy life growing up. This fact is probably what makes her such an amazing teacher; she has an empathy that many other educators simply don't have because they haven't lived the life of many of their students. This empathy is part of why Vanessa was recognized as the 2019 AVID Teacher of the Year.

Vanessa, another charter SUMMIT team member, will be returning as our afternoon keynote speaker. After working in the private sector for years, she changed her professional path and became a teacher. She now helps her own students escape through education. Vanessa looks forward to sharing the lessons she's learned twenty years after helping to organize the very first SUMMIT.

Break-Out Session Assignments

Session I		Room #	Bracelet
10:00-10:30	Be a Jewel, Don't Juul	803	Dark Green
	Teenage Mental Wellness	103	Brown
